

Town Board Meeting
April 27, 2026

Pursuant to due call and notice thereof, the Board of Supervisors, Town of Florence met on the 27th day of April, 2026 at 6:00 p.m. at the Florence Community Center with Chairman Jim Gehlhoff and Supervisors Tom Tuchalski and Shane McLain present. Gehlhoff appeared by phone, so Supervisor McLain ran the meeting.

On a motion by Tuchalski and seconded by McLain a motion was made to approve the following consent agenda items:

- There were no Operator Licenses to approve
- There were no Fire Department vouchers to approve
- Monthly town bills totaling \$62,232.29 and automatic withdrawals in the amount of \$16,833.93 were approved for payment from April 23 to April 30, 2026

All in favor, motion carried.

Florence Utilities Financial Manager, Kristina Williams, told the board that when the financing went to market today that Jeff Belongia contacted her and they pulled it off of the market. The interest rates were higher than expected, and Belongia feels they will be better if it is done later in May. Belongia has already been in contact with Clerk/Treasurer, Jessica Klumpp, to get the last few years of Town Financial Audits to resubmit a rating update for the Town to Standard & Poors. It was noted that there is time to wait for a better rate as the final payment for the current debt isn't due until 2027. After the update from Williams, the board tabled the resolution.

The board discussed adopting Resolution No 04-27-26(2) Town Board Resolution Supporting a Comprehensive and Sustainable Transportation Funding Source as requested from the Wisconsin Towns Association. On a motion by McLain and seconded by Tuchalski it was moved to approve the resolution. Call for the vote, all in favor, motion carried.

There being no further business, it was moved by Tuchalski and seconded by McLain to adjourn the meeting until Monday, May 11, 2026 at 6:00 p.m. at the Florence Utilities. All in favor, motion carried. Meeting adjourned at 4:09 p.m.
